

## **RULES & REGULATIONS**

### **Updated March, 2019**

Lafayette Farmers and Artisans Market is a federally designated 501c-3 Non-Profit Organization, incorporated by the State of Louisiana, and is a collaborative effort of Local Growers, Food Artisans, Craftsmen, and Fishers.

The Lafayette Farmers and Artisans Market is a Producer-Only Farmers Market. No Resale is Permitted.

#### **Mission**

The Lafayette Farmers and Artisans Market at the Horse Farm, Inc. (LFAM) provides access to affordable food and health education by serving as a premier venue for seasonal, farm-based products and artisanal creations offered by local producers. Located in Moncus Park, LFAM is a regional hub of interactive cultural and educational activity with programs ranging from cooking classes and gardening workshops to heritage events, environmental stewardship lessons, and traditional craft demonstrations.

LFAM provides an arena in which farmers, gardeners, nutritionists, physicians, yoga instructors, chefs, cultural leaders, artists, consumers, and others can build collaborative relationships, thereby empowering locals to improve health outcomes and fostering a strong sense of community.

LFAM builds broad public support for the community-enriching projects of Moncus Park while generating funds to develop, maintain and further the Park's educational activities.

#### **Vision**

The Lafayette Farmers and Artisans Market will be a recognized destination for local farmers selling their agricultural products, local artisans selling their wares, and value-added food vendors offering local specialty food and drink, thereby creating a community incubator of economic development for these small businesses. The Lafayette Farmers and Artisans Market encourages a sustainable local food system as it offers: fresh, healthy, local food choices to customers of all income levels, relationships with farmers and fishers, interactive cooking classes and educational opportunities for our community, especially our youth, on the social, economic and health benefits of producing, buying and consuming fresh, local food, with respect to seasonal harvests. LFAM seeks to become a central gathering place for our culturally diverse residents and visitors.

#### **LAFAYETTE FARMERS AND ARTISANS MARKET RULES AND REGULATIONS:**

The Lafayette Farmers and Artisans Market has established rules and regulations that guide vendors in understanding their responsibilities as members of the market community. Understanding and complying with these guidelines helps the market operate smoothly and efficiently so that all participants may benefit.

#### **I. VENDOR ELIGIBILITY INFORMATION & REQUIREMENTS**

##### **A. Producer-Only Market:**

- The Lafayette Market is a producer-only market.
- All products sold must be grown or otherwise produced by the vendor. No resale is permitted.
- A vendor may not sell products grown or produced by others.

- Vendors warrant the quality of all his/her products when they are offered to the public.
- Produce grown or products produced at a location not listed in the application are not eligible to be sold - except by cooperatives, as noted below.

**B. Definition of farm/vendor production facility:**

**Vendor** shall be defined as the producer of goods sold and shall include the spouse, siblings, children, parents, and employees of the applicant who assist in the cultivation of the same property listed in the application under "name of the farm/production facility." Only vendors listed in the approved application are eligible to sell from the booth at the market.

**C. Cooperatives:** The participation of true grower cooperatives is encouraged, but proof of cooperative membership and organization (Bylaws, articles of incorporation, etc.) is mandatory. In this case, the address of each farm participating in the cooperative and the name of each farmer should be included in the application.

**D. Product Verification:** All vendors are required to allow LFAM representatives to inspect their farms, boats, and production facilities prior to vendor acceptance to the market and at any time, with or without notice, so as to maintain the integrity of a producer-only market.

**E. Vendor Categories:**

**1. Market Member Vendor** – A member of the Lafayette Farmers and Artisans Market who vends at the Lafayette Market on a regular, sporadic, or seasonal basis throughout the year. This includes vendors in all selling categories, as well as Food Trucks. Consistent weekly vendors will be given first priority in space assignment and have seniority in retaining their assigned space, understanding that the Market Director (or Board of Directors in the absence of a Market Director) will approve all space assignments and make adjustments as necessary. **No spots are guaranteed, regardless of tenure or attendance regularity.**

**2. Non-Profit Representative** - Organizations with official 501c-3 status may apply for a booth space at the Market by submitting the Non-Profit Representative Application found on the Market's website. The Board of Directors and Market Director will approve applications based on the organization's ability to demonstrate a significant relationship with the market's mission on their application. Due to space limitations, only one non-profit representative will be allowed at the Market each week, solely to promote and educate market-goers about their organization. Approved non-profit representatives will not be permitted to fund-raise, sell merchandise, sell memberships, or make any financial transactions with market-goers. Once approved, non-profit representatives may require scheduling far in advance because of space limitations.

**F. Market Guests** – Guests may request entry into the market or may be invited to the market by the LFAM Board of Directors and Market Director. Guests may be accepted or invited to help fulfill the mission and vision of the Lafayette Market. Examples include:

1. Musical Guest

**G. What May And May Not Be Sold At Market:**

Consideration of Product Mix and Variety:** In order for the Market to ensure an appropriate product mix, vendors are permitted to sell only the items that are listed on their vendor application. Vendors who want to introduce new products must contact the Market Director to make an amendment to their vendor application. ***This request must be made in writing.*** The Market Director and/or the Market Board will determine eligibility of items that vendor is requesting to add. ***NOTE: Effective October 2017: An additional weekly rental fee may be assessed for any current vendors who have added items outside of their original application that were not approved by the Director and/or Board.***
